To
The Secretary to the
Govt of Mysore

Sir,

I have the honour to forward for favour of correct action, the marginally noted letter from Rev. Mr Clerk & beg to offer the following remarks for the Catholic Asylum.

2. I should be pleased that the Govt should sanction Rs 500 per annum, Rs 250 each, to the Asylum as the children are rather unprofitable, and are not numerous enough to justify the future increase of about 500 Rupees in the Asylum's Budget, and all of them will be received in time and have families. The Clergymen therefore ought to pay for the food, one

Government waste subsequently.

The Lands are valued at £5 Sterling being measured waste for which a Quit Rent of £1.5/- is levied in the Accounts, considering the nature of the soil, &c.

5 The Lands of the 1st Class are fruitful to the most of a reasonable description, and the Rate of Assessment is rather high. Orders therefore arrived to assign these Lands for the benefit of the Native Children or Chiefs there which would be profitable also to Government.
